**POLICY STATEMENT FILING
TO
WASHINGTON STATE CODE REVISER**

Purpose:

In order to comply with Section 34.05.230(4) of the Administrative Procedures Act, the Department of Ecology submits the following:

Document Title: Administrative Policy for Recording the Agreed Division of Water Rights Among Multiple Property Owners

Subject: Recording the agreed-upon division of water rights which are held by more than one property owner.

Document Description: This policy documents the generally applicable procedures that the Department of Ecology uses to track and record the agreed division of a water right where multiple property owners own land to which the water is appurtenant. This is intended to assist in correlating water right ownership information with real property information, for such purposes as notification of proposed actions by the agency, facilitating water marketing, and improving public access to information about water right ownership.

Effective Date: July 3, 2003
